

ACUMEN'S WORK IN THE AEROSPACE INDUSTRY

We have designed and delivered programmes and workshops in the aerospace sector since 2009 - gaining extensive experience with all the companies within **AIRBUS GROUP** - including Defence and Space, and particularly with **AIRBUS** itself. We work on many programmes in the UK, the European Union, Singapore, China, the USA and Middle East.

LEADERSHIP AND MANAGEMENT

- 2-day Coaching programmes for managers
- Four module Leadership programmes delivered over 5 months
- Modular 3-day programmes for Future Leaders
- 'Driving Change' workshops of 2 days
- A 2-day Transversal Management programme
- Modular Leadership programme for Experienced managers.

OTHER LEARNING AND DEVELOPMENT INTERVENTIONS

- *One-to-one Coaching* - Conducted by our ICF qualified Coaches
- *Conflict and Difficult situations* - A 2-day workshop
- 2-day *Cultural Intelligence* workshops for managers working across national cultures.

TEAMS AND LARGE SCALE EVENTS

We have delivered outstanding **Team Development Programmes** throughout Europe to over 100 teams at all levels of the organisation, and in all major functions.

We design and deliver experiential team inputs for conferences, meetings and events for up to 500 people throughout **AIRBUS GROUP**- from Marketing presentations to Qatar Airways, Project Managers Symposia, Quality & Lean Conferences and 24-hour Business Simulations.
